CATHOLIC SCHOOL

Race for Education!

Dear _____,

My school's annual Race for Education is coming up on Thursday, May 26. My class has been challenged to raise \$1,000 for our awesome school. Will you help me reach my goal?

The two classrooms that raise the most money will earn ice cream sundae parties during the last week of school, and on race day I will be competing for other prizes, too. I hope you will consider making a donation to Epiphany Catholic School and we thank you for your support!
